WE BELIEVE IN LITTLE L RECORDS- NEW RELEASE ANNOUNCEMENT – SNATCH THE SNAIL ‘SNAILIEN’

MAY 18, 2015

We believe in **Little L Records**. We believe in their releases and we certainly approve of their latest announcement/addition/pre-order to their back catalog. We are extremely honoured to reveal a single premiere from another incredible act- **Snatch The Snail**.

The Wilmington, North Carolina based trio **Snatch the Snail** consist of Zach Carson – Guitar/Vocals, Drew Ryan – Drums/Vocals and Bryan Lee – Bass/Vocals. This young and very promising act are working hard to make waves in their scene. The band's sound swirls between upbeat psychedelic surf rock to a more abrasive punk noise-pop.

“They bring an onslaught of beautifully chaotic polyrhythmic attacks of booming drums, coupled with lushly orchestrated guitar pieces and ethereal textures to their music.” - **Little L Records**

The trio are teaming up with **Little L Records** once more, -following their 2014 release of ‘*The Snail Collection Vol.1*’- **Snatch The Snail** are set to release their 8 track infectious record ‘*Snailien*’ on both Cassette and CD in a few days time, May 23rd.

Snailien Track-listing

1. New Record Deal
2. Top 40 Rap Song
3. Blame It on the Sound Guy
4. Dream Cat
5. Electric Chapel Hill Kool-Aid Acid Test

8. Zombie Face

We are extremely pleased to premiere their track 'New Record Deal' taken from their highly anticipated forthcoming release.

'New Record Deal' captures the best of **Snatch The Snail** as they create experimental tendencies mixed with **Tera Melos** style 'ooh's', euphonious vocals and fuzzed-out distorted guitar tones , uniting the track with a chorus perfectly constructed to soundtrack your summer.
